Plain denim? I think not! Mz. Dallas prefers her denim adorned with gold stars. Nothing else will do for a lady who considers herself to be a STAR! This outfit also from the tres chic Todd Boutique.

Through good times and bad, Mz. Dallas remains true to her Dallas Cowboys. She'll cheer her boys to the next superbowl in her Gallamore designed Dallas Cowboy's coat.

Even though our girl is a society girl, she still takes time to participate in charitable events. HM's ready to run in the Susan G. Komen "Race for the Cure" in her original pink ribboned ensemble from Wendy's World.

*Always ready for a field trial,
Ms. HM Dallas loves her
animal print lounging outfit
fashioned by the
House of Tillison.*

A biker babe? Shhh...

Ms High Maintenance wouldn't want her socialite friends to know that she occasionally enjoys a ride with the biker boys! Word has it that Santa sometimes delivers presents on a Harley. If it's good enough for Santa, it's good enough for Mz. D!

A sunny day at the Dallas Arboretum calls for a bright, butterfly festooned outfit as Mz. Dallas strolls casually through the lovely flowers. styled by Laura of House of Tillison.

Butterflies! In honor of Calloway gardens butterfly garden, Mz. Dallas is decked out in a Butterfly festooned dress from her personal clothier, Wendy's World.

*Rain drops are falling on my head...
but not on our gal as she wears her

Mz. HM Dallas will be dancing the night away at the sock hop in a return to the 50's in her pink Poodle skirt! She loves to have her personal couturier, Wendy's World, fashion such delights for her enjoyment.

As an accomplished Ballerina with the world famous Dallas Diva Dogs School of Ballet, our Darling Dachshund looks stunning in her tutu fashioned by the famous Dumas Costumers.

*Top O the morning to you!
Everyone's a little bit Irish
on St. Patrick's Day. Even

*Christmas day is a day for family and friends.
Our girl is ready for a fun day in her comfortable
Christmas outfit.*

You say "high maintenance" as if it's a bad thing... but let's take a moment to consider the results. From each of her marriages, Mz. High Maintenance Dallas Bitch made sure to keep a little bling. After all, Diamonds ARE a girl's best friend. From the Snider Jewelry Boutique on Harry Hines, these elegant jewels, are worn, of course, with that essential little black dress.

Although not NEARLY old enough to belong, Mz. High Maintenance is ready for membership in the Purple Hat Society when she does achieve that exalted status. Fellow member Kay Shaffmaster gifts Ms. D so that she'll be ready!

Our gal is no Yellow dog Democrat!!! She proudly follows the fashion of Barbara Bush by sporting her string of pearls.

Winter skating fun beckons when Mz. HM Dallas wears her fuschia velvet skating ensemble complete with beret. Beaded jewelry for our gal plus one for her owner completes this lovely outfit designed by Sandi at the Myers style shop.

A blast from the past as our Dapper Diva relives "Solo In The Spotlight" which was a popular and lovely gown belonging to the Fabulous Barbie. This gown is from the Stylings of the House of Gunn

After a smashingly successful field trial weekend, Mz. HM Dallas visited the Mann Furrier Salon and had her rewards turned into every girl's dream... a fur coat.

Wedding dreams (past and present) are realized in this fabulous wedding gown complete with veil. A lovely floral bouquet completes the look. Don't forget to look for her sexy garter. Giving Vera Wang competition, our gal's gown is a Nancy Original from the the Barclay Bridal Boutique.

*Designed by Irving Architects & S. Dumas,
Mz. High Maintenance Dallas Bitch
comes complete with her own home
fashioned of warm red brick. Inside
is room for all of her fashions.*
